

## CPHWR Advisory Committee Member Application

We appreciate your interest in providing advice and recommendations on the DTSC Community Protection and Hazardous Waste Reduction (CPHWR) Initiative pilot projects. A selection panel will review each application and recommend, to DTSC, stakeholder representatives for the CPHWR Advisory Committee (Advisory Committee).

Please send your completed application to [cphwr@dtsc.ca.gov](mailto:cphwr@dtsc.ca.gov) by **January 8, 2016 at 5:00 p.m.**

If selected, you will be contacted within three weeks of the application deadline.

CPHWR Advisory Committee members will be expected to review documents, provide feedback, research pertinent issues, and participate in at least four Advisory Committee meetings beginning in early 2016 and continuing through June 2017. The Advisory Committee meetings will be held at California EPA Headquarters (or an alternative location based on collective needs of the Advisory Committee) and reimbursement for the cost of travel to and from meeting locations is available for Advisory Committee members.

## Statement of Interest

Please explain your interest in representing your stakeholder group as a CPHWR Advisory Committee member and describe a specific contribution you will make to this initiative. You are encouraged to summarize your experience promoting waste reduction; your ability to engage, and solicit input from, the stakeholder group you represent; or your expertise in pollution prevention technologies. Include all information you would like the selection panel to consider when evaluating your application.
